## Community & Remembrance

### History - S2

This engaging program addresses outcomes from both content strands. Students will participate in various workshops and activities that focus upon the traditional lifestyles of local Dharawal people. Students will develop an appreciation for the significance of the property as not only one rich in Aboriginal history, but also how it became the catalyst for the development of Australia's Merino wool industry.

### LEARNING EXPERIENCES

- "Bullroarers and Boomerangs" workshop
- Artefact study
- Aboriginal totems workshop
- Farming techniques of the Dharawal People
- Boomerang throwing
- Early rural settlers
- Sheep mustering/health assessment
- Wagon ride to observe pastures, crops and cattle
